## Praise for the print edition:

'The combined forces of thirty leading scholars in drama, poetry, textual criticism and manuscript studies have resulted in the best edition of a Renaissance dramatist in our time.'

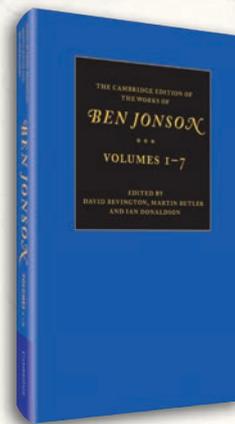

**Brian Vickers**, *Time Literary Supplement*

'A cause for celebration'

**Andrew Hadfield**, *Daily Telegraph*

'... [a] formidable enterprise... There would have to be either a transformation of our mental world beyond present imagination, or some sensational textual discovery before anyone could think it necessary to edit Jonson again.'

**Blair Worden**, *London Review of Books*
